Upcoming Events for Girls

Changing the World: Engineering the Future

Saturday, March 28, 2020

Grades 10-12

Explore why engineering is an amazing career for women who want to change the world, help improve the lives of others and the environment around us, and who like teamwork and problem-solving. Solve real engineering challenges, learn about different types of engineering, talk to current students, hear from recent alumni and tour the campus.

Engineering Explorations 11:

ECE & the Future of Tech

Saturday, February 1, 2020

Grade 11

As technology continues to expand its presence in our daily lives, engineering allows us to leverage new technologies for more applications.

Engineering Explorations 10:

Sustainability for Our Future

Saturday, February 22, 2020

Grade 10

Using the engineering design cycle and a focus on environmental engineering, you'll ideate new solutions to an engineering problem that many countries face today.

Engineering Explorations 8:

The Variety of Engineering

Saturday, March 14, 2020

Grade 8

Debunk your perceptions of engineering and experience what engineers do everyday!

Technovation Girls

February 7, March 6, or April 17

Ages 10-18

Build an app to solve a problem you identify within your community. Offered through UBC Gearing Up.

Girl Powered Design Club

Saturdays starting January 25

Grades 8-10

It includes activities from all streams of STEM (Science, Technology, Engineering, and Math) in the form of hands-on activities, engineering design projects, and student competitions.
