

## Vancouver School District - Administrators Recognition Scholarship (2018/2019)

In recognition of the work done by principals and vice principals and the positive impact they have on the lives of students, the Vancouver School District created a new student scholarship. In honour of all administrators across the District, two scholarships in the amount of \$2500 will be awarded to students at the end of the school year (June 2019). Students of VSB Secondary Schools, the Vancouver Learning Network, Alternate, Alternative and Adult Education programs are invited to apply for these two scholarships.

The Administrators Recognition Scholarship will recognize graduating Vancouver School District students who have made a positive contribution to their school communities. These students have demonstrated strong school service, involvement and leadership, maintained a good academic record, demonstrated a strong work ethic and perseverance, as well as participated in athletics/and or school clubs and intend to enroll in post-secondary education at a recognized program, institution, college, or university.
