

# CLEAN ENERGY STUDENT SCHOLARSHIP 2019

With funding courtesy of

Clean Energy BC (CEBC) is pleased to offer a student scholarship of \$1,000. The scholarship is available for students who are interested in pursuing a future in clean energy at a post-secondary institution.

**Eligibility:** Must be a BC secondary student (full-time, currently enrolled) that is graduating in 2019.

## Application Materials:

- Applicants must submit a 1-2 page paper (500 words) respond to the question, "Why is clean energy important to me as a young person in BC?" Please explain why clean energy is important, cite any relevant experience with projects, volunteering, or community work, and indicate any future plans for involvement. Please indicate the post-secondary institutions you have applied to, as well as any acceptances you have received.
- Applicants must additionally provide one letter of reference (must not be a relative). This could be from a teacher, a community representative, a religious/spiritual teacher, or a coach. The reference letter should speak to your character as a person.
- Please do not forget to provide your contact information – address, phone number, and e-mail.

**Deadline:** Thursday, May 30<sup>th</sup>, 2019

**Please submit your application by email to:** [jennifer.palfery@cleanenergybc.org](mailto:jennifer.palfery@cleanenergybc.org)

Please note that all decisions of CEBC's Awards Committee are final. The winner will be notified in early June 2019. Special thanks to SNC-Lavalin and EcoFish Research for funding this scholarship.

CEBC is a registered non-profit society in BC and represents the interests of its members who are developers/operators of projects in wind, solar, hydro, and biomass, and supply chain companies that provide legal, engineering, construction, and environmental services.
