Do you accept Challenge exams?	No.

Timing of offers/grades used	Concordia bases the conditional admission decision on Grade 12 marks (mid-term/interim marks, or final first-term marks). We do not make admission decisions based solely on Grade 11 marks. Therefore, admission offers will start to be sent out in the winter, once preliminary Grade 12 transcripts have been submitted by the student.
Reporting of Grades	Students are required to upload an electronic version of their most recent transcript (showing any final and/or mid-term/interim grades and a list of their current courses) at the time of application. Original copies of final Grade 12 transcripts will be requested once admission decision is made and the final grades are available.
IB & AP Credit Information	Applicants who present the full IB diploma with a minimum total of 27 points will be given advanced standing equivalent. For applicants who have done one, or a few, AP or IB courses as part of their Grade 12 curriculum, each course will be evaluated for transfer credit based on the subject taken and grade received. The official decision on transfer credit will only take place once a student has submitted his or her application as well as the required supporting documents (for example: AP Board or IB Org. official results).
English Proficiency Requirements	<ul style="list-style-type: none"> • TOEFL: 90 for Direct Admission, 75 for Direct Admission with additional language courses in first year • IELTS: 7 for Direct Admission, 6 (with no score under 5.5) for Direct Admission with additional language courses in first year For other accepted language tests and more details: concordia.ca/ugrad-elp

INSTITUTIONAL HIGHLIGHTS

Fairleigh Dickinson University is the largest private university in New Jersey, with campuses in Madison, NJ, Teaneck, NJ, Vancouver, Canada, and Oxfordshire, England. Founded in 1942, Fairleigh Dickinson University opened its doors with an innovative and ambitious goal: to provide a place where students of all ages, from every corner of the globe, could receive an education "of and for the world." The Vancouver Campus opened in 2007 in the heart of Downtown Vancouver, just steps away from important landmarks like BC Place and the Vancouver Library. FDU offers students one of the few opportunities to earn an American college degree while studying in Canada. All degree programs offered at the Vancouver Campus have been authorized by the British Columbia Ministry of Advanced Education. FDU's special relationship and consultative status with the United Nations also guarantees students the opportunity to learn how international events and policies impact in Canada, the United States and worldwide.

- All undergraduate students obtain between 15% and 75% merit-based scholarships.
- 20:1 undergraduate student-to-faculty ratio.
- **AACSB**-accredited business school.
- Unique opportunities for study abroad.

INSTITUTIONAL HIGHLIGHTS

MacEwan University provides a transformative education in a collaborative and supportive environment where creativity and innovation thrive. Our faculty focus on teaching, and many are also engaged in ground-breaking, internationally recognized research and scholarly and artistic activity that enhances their teaching and the curriculum – and creates opportunities for student involvement in research. The university inspires students with a powerful combination of academic excellence and personal learning experiences – ours is a connected culture that focuses on learner-centred teaching, and on providing opportunities for students to grow and achieve. The university offers a broad complement of programs comprised of bachelor and applied degrees, diplomas and certificates. Our faculties and schools offer programming in fine arts and communications; health and community studies; liberal arts and sciences; and business.

MacEwan University's new Centre for Arts and Culture is located on the university's City Centre Campus in downtown Edmonton. The 40,000m² (430,000 square foot) building will house classroom, lab, exhibit, and performance spaces. The five-storey building is designed by world-renowned architect Bing Thom, along with Edmonton design firm Manasc Isaac. Starting in Fall 2017, it will be home to the university's programs in the visual, performing and communication arts.

INSTITUTIONAL HIGHLIGHTS

Bachelor of Communications – Broadcast Media Studies (New Fall 2016)

Mount Royal University offers the only Bachelor of Communication Studies with a major in Broadcast Media Studies available in western Canada.

Develop the technical skills and theoretical understanding to produce professional, engaging audio and video content for a variety of audiences. Take advantage of state-of-the-art video production facilities and an online radio station, while learning to write and produce commercials, news, documentaries, podcasts, advertising, corporate video and reality television.

Graduates of our Broadcast Media Studies (BMS) major program will work for media companies, production houses, private companies, government agencies and traditional broadcasters as:

- Multimedia content producers
- Videographers
- Documentary producers
- Digital news reporter/editors
- Podcast producers or hosts
- Radio/Television News anchors
- Digital advertising writer/producers
- Corporate media producers
- Freelance reporters

Student research

Undergraduate research is an important part of Mount Royal's programming – not to mention an inspiring way for you to work one-on-one with faculty while getting the opportunity to complete research during your undergraduate degree. Many of the faculty members at MRU also work on their own research. They are often happy to have students work with them on their projects (sometimes they even have jobs available). Our students also co-publish with faculty and present at conferences.

WHAT'S NEW

Expanded options for Concurrent Education:

Concurrent Education/Arts at the Bader International Study Centre (BISC) in England: As of September 2016, first year ConEd/Arts is now offered at BISC. Students can apply to our ConEd/Arts program and spend their first year at the Castle (QIB on OUAC application).

Concurrent Education/Fine Art: In September 2015, our ConEd options expanded to also include Fine Art (QTT on OUAC application).

Certificate in Business: Designed for students in Arts, Science, Engineering and Nursing who wish to gain fundamental knowledge in the key areas of business, in order to broaden their career options upon graduation. Apply between their first and second years of study.

QBridge: QBridge is an English language pathway to Queen's for students who are academically competitive for admission to a Queen's undergraduate degree program, but who do not meet the required admission standard for English language proficiency. This pathway ensures that students are linguistically, academically and culturally prepared to complete their Queen's undergraduate degree. Upon successful completion of academic English language training with the Queen's School of English, students will progress into an undergraduate degree program. Additional information available at <http://www.queensu.ca/qsoe/qbridge>

Bachelor of Music Theatre: A small, new program designed to provide aspiring musical theatre professionals with both academic study and practical training in three core disciplines of acting, singing, and dance. This unique "triple threat" program will allow students to hone their skills by performing in front of audiences, in studio, main stage productions and in unique productions. Students complete the first two years of the program through St. Lawrence College, Brockville and their final two years at Queen's University.

Langara Transfer Pathway: Students can complete their first two years at Langara in Vancouver and then transfer directly in to one of 17 Arts or Sciences programs leading to a Bachelor of Arts, Bachelor of Science, or Bachelor of Computing degree at Queen's University. More information about the transfer pathway can be found at <http://langara.ca/programs-and-courses/degree-partnerships/queens-langara-transfer/index.html>.

INSTITUTIONAL HIGHLIGHTS

King's View Friday & King's Encounter Weekend

As always we are hosting King's View Fridays. These view days give students and parents the opportunity to tour our campus, sit in on a class, connect with the admissions staff, and meet with current students and faculty. The day also includes sessions on financial aid, admissions, and student life. King's View Friday's dates for the 2016/17 academic year are October 28, November 25, January 27, February 10, and March 24. Overnight accommodation for students is available upon request.

Back by popular demand, we are hosting King's Encounter Weekend. Students will receive the same information and opportunities available at King's View Friday, and will also be stay for two nights in residence hosted by current students. King's Encounter Weekend is designed to not only give students the opportunity to experience residence and campus life, but also to explore the city of Edmonton. King's Encounter Weekend dates for the 2016/17 academic year are November 17-19, and March 16-18.

Registration is required for all KVF and KEW events. Students can register at www.kingsu.ca/visit. Travel subsidies are available. For more information, please contact Wanda Thiessen.

Open House

Drop in on October 22 or March 4 for the opportunity to meet professors and current students, and to gather information on our programs and services. Campus tours, musical performances, and various demonstrations will be offered throughout the day.

School of Business

Thanks to two record pledges from major donors totalling \$8.5 million over 10 years, King's launched a School of Business in Fall 2014. Building on the existing Bachelor of Commerce program, the Leder School of Business has opened up new streams of study, including Small Business and Entrepreneurship, Non-Profit and Social Entrepreneurship, Accounting, Environmental Studies. Partnering with 4 leading post-secondary institution abroad, students can participate in study exchanges or study abroad programs throughout the world.

ADMISSIONS INFORMATION

Basic Admissions Requirements	For admission into the University of Alberta’s direct-entry programs, students must present a competitive average across the five high school subjects required for their program of choice. For details on the particular requirements of each program, see the charts in the Viewbook or go to our online program tool at uab.ca/programs .
Minimum Admissions Average	Admission to all programs is competitive. To determine the competitiveness of the programs you are interested in, you can look at the final average range online at uab.ca/averages .
Application Deadline & Fee	March 1, 2017 for all direct-entry programs. The application fee is \$125. Apply online at uab.ca/apply .
Policy on repeated courses	If a student repeats a course the University of Alberta will use the higher of the two grades.
Policy on summer school, night school, online courses & correspondence courses	The University of Alberta will only accept high school courses that appear with a grade on a student’s official transcript before the August 1 document deadline.
Do you accept Challenge exams?	The University of Alberta will only accept challenge exams for high school courses if the course appears with a grade on the official transcript.
Timing of offers/grades used	Students are required to apply early, as they will be considered for admission based on the earliest indicators of their success. In some cases, high achieving students may receive an offer based on Grade 11 marks alone. Most students will need to present some combination of final Grade 11 and final first-semester Grade 12 marks in order to be considered. For linear schools we will accept interim Grade 12 grades, provided that they reflect at least half of the course content. Qualified applicants will receive a single, firm admission offer. For more details on evaluation criteria, visit: uab.ca/adm101
Reporting of Grades	Students are able to self-record grades at the time of application. For instructions on how to update grades mid-cycle, visit uab.ca/docs101 .
IB Credit Information	Students that score a 6 or 7 in their IB courses are eligible to receive transfer credit. Please visit uab.ca/IB for further information and to view the complete Advanced Standing chart. Students with specific questions can contact IBstudent@ualberta.ca .

AP Credit Information	Students that score a 4 or 5 on their AP exams are eligible to receive transfer credit. Please visit uab.ca/AP for further information and to view the complete Advanced Standing chart. Students with specific questions can contact APstudent@ualberta.ca .
English Proficiency Requirements	For a complete list of approved ELP exams and required grades for admission, please visit admissions.ualberta.ca/ELP or refer to the ELP chart in the Counsellors' Handbook. Bridging Program The Bridging Programs is designed for applicants who meet all other admission requirements for their program of choice, except ELP. The Bridging Program allows eligible students to complete the ELP requirement by taking English for Academic Purposes (EAP) courses during their first year of study, while also taking academic courses and earning credit toward their degree. For more information visit uab.ca/BP .

RESIDENCE INFORMATION

Residence Options/guarantee	The University of Alberta offers a comprehensive variety of residence options for all students on each of our campuses. Our primary first-year residence on North Campus, Lister Hall, offers both single and double rooms along with a range of meal plans. ADMISSIONS INFORMATION

Basic Admissions Requirements	Standard admission decisions will be based on a combination of final fall grade 12 grades and final grade 11 grades. Students are required to complete five faculty specific grade 12 courses for final admission. Early admission offers are available to students' 1 st choice programs who meet the early admission average for their chosen faculty. The average is calculated on final grade 11 and any available grade 12 final grades on 4 program-specific courses. Applicants must apply by December 15 . Students are required to graduate in order to be considered for final admission. Please visit http://www.ucalgary.ca/pubs/calendar/current/a-5-1.html for faculty specific classes.
Minimum Admissions Average	Competitive averages vary depending on program, and range (in percent) from approximately low 70s (most Arts programs) to low 90s (Neuroscience). A final average is calculated using five faculty specific subjects required for admission. Create a profile at choose.ucalgary.ca for specific program averages.
Application Deadline & Fee	For early admission consideration: December 15, 2016 Final application deadline: March 1, 2017 \$125 for students with Canadian high school credentials. (\$145 for students with international credentials)
Policy on repeated courses	We will use the higher grade if a student repeats a high school course.
Policy on summer school, night school, online courses & correspondence courses	We accept all these types of courses as long as they are high school equivalents, and will arrive on an official Ministry of Education transcript. Please note that we do not use summer courses for evaluation if they are being completed prior to the semester of entrance.
Do you accept Challenge exams?	Yes, with written permission from the Dean's Office of the faculty in which the student is registered, and head of the department offering the course. For more information and link to the form, please visit: http://www.ucalgary.ca/pubs/calendar/current/b-10-1.html

Timing of offers/grades used	Early admission offers will be provided by mid-February. Standard admission offers will be provided by May. Depending on availability by program, we may offer final admission to some applicants in August.
Reporting of Grades	Students declare all 12-level courses on their application to ensure prerequisite course requirements will be satisfied. All decisions are based on final grade 11 and/or grade 12 transcripts. We require interim transcripts to be submitted for students to receive an offer. Interim transcripts can be submitted via email to transcripts@ucalgary.ca; documents should include the student's full name and UCID. Early admission transcript deadline: January 15, 2016 Standard admission transcript deadline: March 31, 2016
IB Credit Information	Predicted IB grades are required to be submitted for an offer of admission. Subject requirements: > Business: English 12; one from Pre-Calculus 12, Calculus 12 or Foundations of Math 12 > Early Childhood Studies: English 12 > Family and Community Social Services: English 12 > Justice Studies: English 12 > Kinesiology: English 12; one from Pre-Calculus 12, Calculus 12 or Foundations of Math 12; two from Biology 12, Chemistry 12 or Physics 12 > Media Studies: English 12 > Psychology: English 12
MINIMUM ADMISSIONS AVERAGE	To be considered for an offer of admission, students must have a minimum 75% admission average inclusive of the basic admission requirements (above). Estimated cut-off admission ranges (75%–80%) are based on the admission averages from previous years. Exact cut-offs for the current cycle will be determined once applications are received. Possession of an admission average within the estimated cut-off range does not guarantee an offer of admission.
APPLICATION DEADLINE & FEE	Students should apply online at www.ouac.on.ca by January 11, 2017 . Students will pay an OUAC application fee of \$156 for their first three program choices and an assessment fee of \$80. Each additional program choice is \$50. If a student removes a program choice and adds a new one at the same university, there is no additional fee.
POLICY ON REPEATED COURSES	The University will use the highest grade reported from an institution approved by the provincial Ministry of Education for any repeated courses.
POLICY ON SUMMER SCHOOL, NIGHT SCHOOL, ONLINE COURSES & CORRESPONDENCE COURSES	Courses taken at an institution approved by the provincial Ministry of Education will be considered.
DO YOU ACCEPT CHALLENGE EXAMS?	No. We do not require the Provincial Exam for Provincially Examinable subjects.
TIMING OF OFFERS/ GRADES USED	Offers of admission will be sent from late January until mid-May. Offers will be based on grade 11 marks and any completed grade 12 marks.
REPORTING OF GRADES	Students should have their school forward an official transcript of final semester mid-term marks by April 15, 2017 . We accept official transcripts or grades uploaded directly through the OUAC. We also accept self-reported grades from BC students, provided official grades are provided by mid-July.
IB CREDIT INFORMATION	Diploma minimum score of 24 with six subjects: three higher level and three standard level, including subject requirements. If currently enrolled in IB, students should submit

	their predicted IB final results. Transfer credit may be given for higher level courses with grades of five or better.
AP CREDIT INFORMATION	Advanced Placement exam results of four or more may qualify for university credit to a maximum of 2.0 credits. Official transcripts are required.

Policy on repeated courses	<ul style="list-style-type: none"> • Students who have repeated courses will be asked to indicate why on their Admissions Information Form (AIF). • For Engineering programs, including Software Engineering but excluding Architecture, a student may have 5% deducted from the total overall admission average and might not be considered for Faculty of Engineering entrance scholarships. • For Faculty of Mathematics programs, the overall admission score may be adjusted for each Grade 12 course that is repeated. • For all other faculties and programs, including Architecture, each case will be given individual consideration when the admission decision is made. uwaterloo.ca/findoutmore/admissions/repeated-courses
Policy on summer school, night school, online courses & correspondence courses	<ul style="list-style-type: none"> • Provided that the school or institution is accredited by the BC Ministry of Education, the University of Waterloo will accept Grade 12 U/M courses regardless of how or where courses are taken. • On their AIF, students may be asked to list the courses they have taken or are taking outside of regular day school. If students are applying to programs in the Faculty of Engineering and/or Mathematics, in some cases, their overall admission score will be adjusted. uwaterloo.ca/findoutmore/admissions/repeated-courses
Do you accept Challenge exams?	Yes, as long as a student's transcript shows a grade and credit obtained for the course, we will accept it.

Timing of offers/grades used	Offers begin being made in December. Some programs will use Grade 11 results for conditional offers, but not all will. For more competitive programs (i.e. Math, Computer Science, Engineering) the overwhelming majority of offers are not made until early May.
Reporting of Grades	While BC has automatic electronic grade submission, marks will not arrive in time for our admissions decisions. Students will need to ask their school to send a transcript of final semester mid-term marks (most programs: due April 7, 2016; Accounting and Financial Management and Architecture: March 1; Engineering: March 31; CAP: March 6). Details at uwaterloo.ca/findoutmore/applicants/sending-your-marks .
IB Credit Information	We will consider transfer credits for individual Higher Level IB courses in which normally a minimum final grade of 5 is attained. Transfer credit varies by faculty. Details at uwaterloo.ca/findoutmore/admissions/applying-waterloo/transfer-credits .
AP Credit Information	We will consider transfer credits for AP courses (for some programs) in which normally a minimum final grade of 4 is attained. Transfer credit varies by faculty. Details available at uwaterloo.ca/findoutmore/admissions/applying-waterloo/transfer-credits .
English Proficiency Requirements	<ul style="list-style-type: none"> • Language requirements are listed at uwaterloo.ca/findoutmore/admissions • For students whose first language is not English, and whose 4 most recent years of full-time education have not been in an English-language school system, we require an English Language Test. • TOEFL: 90 (25 in speaking and writing); IELTS: 6.5 overall (6.5 in speaking and writing, 6.0 in reading and listening) <p>Academically strong students whose English language scores are just below Waterloo's requirements may be eligible to study here while improving their English. Details at uwaterloo.ca/findoutmore/base.</p>

INSTITUTIONAL HIGHLIGHTS

<ul style="list-style-type: none"> • Addiction Studies Certificate - This certificate gives students the opportunity to design a collection of courses in the area of addictions. The credential is embedded into the degree or diploma in the area of the student's interest. • Bachelor of Design in Graphic Design – The Bachelor of Arts, Major in Graphic Design has changed to the Bachelor of Design in Graphic Design in order to maintain consistency with similar credentials at other post-secondary institutions across BC. • Bachelor of Education 1st year entry - Applicants can choose to apply for direct entry into year one of the program (Year One Entry) or upon the completion of a minimum of 48 approved post-secondary credits (Year Three Entry). • Engineering Transfer to SFU - In the agreement between VIU and SFU, VIU's Fundamentals of Engineering Certificate now provides the first year curriculum for the University of British Columbia (UBC - Point Grey campus), the University of Victoria (UVic), and SFU (Burnaby campus). • Forestry and Heavy Equipment Simulators - Eight mobile simulator units will help offer innovative training opportunities to future workers in the forestry and heavy equipment operation sectors. The simulators replicate the interiors of nine different pieces of forestry and heavy equipment machinery – including a grader, dozer, feller-buncher, heel-boom log loader, excavator, wheel loader, articulated rock truck and dangle-head forestry processor. • Hairdressing Program – changing to Hairstylist. The ITA is currently updating the Hairstylist Foundation Program to better align with industry demands. These changes will be in effect for the Sept 2016 intake. This is a 10-month, 1500-hour program. • The Centre for Outreach and Community Care – The Outreach Centre provides practicum placement opportunities for Child and Youth Care students, while at the same time supports the local community by creating programs that meet the needs of children, youth, and families.

Apply online: http://www.ouac.on.ca/105 - \$156 for 3 choices; each additional choice \$50
Policy on repeated courses	If a course has been taken more than once, the highest reported successful grade in the course will be used in the calculation of the admission average.
Policy on summer school, night school, online & correspondence courses	Western will use the grade for courses as reported on the official transcript for use in the admission average. If a summer school, night school, online and/or correspondence course will appear on the final Ministry transcript it may be considered for use for admission and prerequisite purposes.
Do you accept Challenge exams?	Grades obtained through Challenge for Credit will not be used in the calculation of an admission average.
Timing of offers/grades used	Offers are issued on a rolling basis starting in December. High achieving applicants may be considered for conditional admission on the basis of grade 11 results or a combination of grade 11 and grade 12 results depending on program and prerequisite requirements. The final admission average will be based on four acceptable Grade 12 academic courses including English 12.
Reporting of Grades	Applicants are able to self-report their grades using our online form. See: http://welcome.uwo.ca/admissions/forms/self_reported_grades.html . The submission of an official final transcript sent by the BC Ministry of Education will be required for final grades.

INSTITUTIONAL HIGHLIGHTS

Program Changes: Effective September 1, 2016, Faculty of Health Science is discontinuing HSp in Community Rural Health Development and introducing HSp in Health and Aging. Faculty of Arts & Humanities is replacing HSp in French Language and Literature, French Linguistics and Literature and French Language and Linguistics with the HSp in French Studies. The Faculty of Science has introduced an HSp in Biodiversity and Conservation.

In 2016, we introduced the Western Integrated Science program (WISc). This program is designed to provide select students with the diverse science education necessary to address the interdisciplinary scope of today's major scientific challenges (e.g., climate change, world hunger, alternative energy). WISc combines unique Integrated Science courses with traditional discipline-specific courses. Students who complete the WISc Program will graduate with an "Honors Bachelor of Science in Integrated Science with (one of 8 specific disciplines).

Out of Province Financial Assistance: Out of Province admission bursary is available for students eligible for provincial or federal funding. Guaranteed minimum \$1,000.

New Facilities: The new Faculty of Information & Media Studies/Nursing building is slated to open January 2017 at the corner of Lambton and Huron drives, next to the Arthur and Sonia Labatt Health Sciences Building.

Our Chemistry building is undergoing a modernization of the instruction and research laboratories.

Engineering will commence construction on a new 100,000-square-foot building this fall, connecting to the Spencer Engineering Building and Boundary Layer Wind Tunnel Laboratory (BLWTL), along Western Road.

Western Interdisciplinary Research Building is now in Phase 1 of construction set to open in late 2017/early 2018. The phase one building will house dry laboratories, teaching and research space, classrooms, public amenities and a public plaza. The finished portion of the building brings together faculty, staff and students from across the campus to consolidate two major groups – Research Cluster for Cognitive Neuroscience, Rotman Institute of Philosophy and general university classroom space.

Faculties/Highlights	Laurier has 2 undergraduate campuses in Waterloo & Brantford, which offer 8 faculties: Arts, Science, Music , the Lazaridis School of Business & Economics, Social Work, Liberal Arts, Human and Social Sciences and Education . In addition, we offer double degrees in conjunction with the University of Waterloo in Business & Computing or Math. Co-op is available in Arts, Science & Business but students apply at the end of first year for all programs except BTM & Double Degrees, which have automatic entry into co-op.
Student Population	Laurier is a mid-sized University, with over 19,000 students at two undergraduate campuses.

ADMISSIONS AND TRANSITION INFORMATION

Admissions Requirements	Four academic courses, including English 12 at a minimum of 60%. Program specific requirements for BC applicants can be found at wlu.ca/admissions . Additional supporting documents are due by April 19, 2017 and can be emailed to chooselaurier@wlu.ca or mailed.
Minimum Admissions Average	The minimum average for consideration to all Laurier programs is 70%. Competitive entry and double degree programs will require a higher admission average which can be found in the out-of-province brochure. Final cut-off averages will be set in May 2016. As of last year, all Business (BBA), Double Degrees and Science programs (including BA Psychology, BA Math, BA Biology, BA Computer Science & B. Kinesiology programs) will now use required courses to calculate the admission average. Arts programs (on both campuses), Music, Social Work, Business Technology Management, and Economics will calculate using the top 4 courses.
Policy on repeated courses	The higher mark of any repeated courses will be used with no penalty.
Policy on courses completed outside day school	As long as the school is accepted by the Ministry of Education, we will accept the course.
Do you accept Challenge Exams	Not if they are noted on the transcript as a Challenge Exam.
Alternate Offers of Admission	Students will be automatically considered for alternate offers of admission, and changes to alternate offers can be made directly with the Recruitment & Admissions Office. A list can be found at chooselaurier.ca/alternateoffer . New this year, Laurier will be issuing multiple offers of admission. A student may apply to up to 3 programs.
IB/AP Credit information	A minimum IB Score of 26 is required for consideration, however some programs may require a higher minimum score. Any HL courses with a score of 5 or higher, or AP credits completed with a score of 4 or higher will be considered for transfer credit, up to a maximum of 3.0 credits.
Application Deadline	May 1, 2017 – students are encouraged to apply and submit documents earlier as decisions will be made on a rolling basis. Conditional offers will be made on grade data available at the time of decision, which might mean using marks from Grade 11, Grade 12 or a combination of both.
Application Fee	\$156 for three choices (each additional choice is \$50)
Transcript Requirements	Applicants are encouraged to send grades by mail, email (chooselaurier@wlu.ca) or by fax to 519-884-0618 for conditional offers. All final transcripts must be sent as a hard copy directly from the issuing institution or the BC Ministry of Education.
English Proficiency Requirements	TOEFL- internet-based test overall score of 83 with a minimum of 20 in each component, IELTS- 6.5, MELAB 85, CAEL- 70, with no part below 60, Pearson Test of Language Proficiency – 59, (CEA) Cambridge English: Advanced - 58.
