

Post-Secondary Educational options for students with diverse abilities.

An evening to come and speak to a variety of representatives from the different colleges/programs that offer educational programming to youth after high school.

* This fair provides current information on educational programs that exist to support students transitioning from high school to adult life.

Who will offer information:

- College programs and academic programs

Participants will have the opportunity to listen to presentations, ask questions, and collect materials from all the institutions that are represented.

Who should attend:

Students, parents/guardians, teachers, counselors, resource teachers, social workers, career centre coordinators, community-based support staff, special program staff...
